

Counselor Corner

Hello from the Wellness Center!

The Wellness Center is a safe space to come to when a student is stressed out or having a hard time. We learn about how to calm emotions using The Grump Meter. Do you have a Grump Meter at home? If you don't, ask your student! Your student can teach you what The Grump Meter is and you can make one together as a family!

Good Morning Rose Park!

Good Morning Rose Park is a monthly parent meeting with our Principal, Ms. O'Brien. Come and enjoy a light breakfast and speak with Ms. O'Brien about anything you'd like.

School Goals

- *Students will learn everyday
- *Students will be on time everyday
- *School personnel will build relationships with students, their families and each other everyday

Principal's Message

Hello Rose Park Elementary Families,

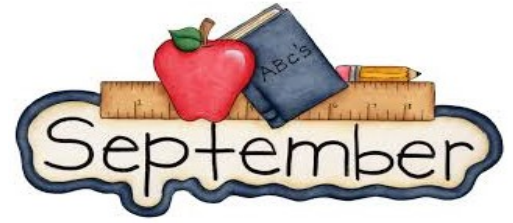

First, welcome back to a new school year. We are off to a great start and are looking forward to a year full of learning and fun. This year we are focusing on developing and fostering family and parent relationships. We know that this is your school and your feedback and input are valuable. We also know that when schools and families partner together to support students, students have more social and academic success at school.

Next, we have three terrific teachers joining our Rose Park faculty this year: Mrs. Martinez in fifth grade, Ms. Palomino in third grade, and Ms. Mandy in first grade.

Last, we are committed to communicating with you in as many ways as we can to make sure you have important information regarding school events. Every Tuesday, we send a note with upcoming information. We also post important information on the marquee and make calls home as well. You can also find information on our website and look for this monthly newsletter this year too.

If you have any questions, please email or call us. We are here for you!

Nicole O'Brien

Coming Events:

- 6 Hearing Screenings
- 7 Back to School Night at 6PM
- 7 Mobile Food Pantry at 2PM
- 8 Good Morning Rose Park at 8AM
- 8 PTA at 8:30AM
- 13 School Community Council at 6PM
- 22 DIBELS Testing

School Values

Our school values were developed by Joel Arvizo through a collaborative process that included school personnel, families and students. They are:

- We care for each other
- We are honest
- We challenge ourselves
- We honor culture and identity
- We believe we are capable

Emergency Drills

Every month, our school is required to have an emergency drill to make sure we are prepared if we have a real emergency. During the first week of school, we evacuated the building to our primary location (the West field) and to our secondary location (LDS Church located on 760 North and 1200 West).
