

Rose Park Elementary Community School Update to the Community February, 2011

**“A QUALITY EDUCATION PROVIDES A STRONG
FOUNDATION FOR LIFE.” UNITED WAY**

"The link between education and economic development is clear."
"Utah will never fully recognize its economic potential without a
highly educated workforce." Gov. Gary Herbert

Education

22% of Utah Students are not proficient readers when they start fourth grade, for economically disadvantaged kids it jumps to 35%

- Early Childhood: prek3, prek4, all day kinder
- Rigorous school program

TRAINING FUTURE TEACHERS

Student Teachers from Westminster College hold their literacy class in our Community Center then have hands-on practice with students in the after school program.

Income

Utah has a low median net worth: \$52,000 compared to \$88,000 nationally (Rose Park Elem. % low income?)

- Adult education (Financial Literacy) to increase the job opportunities for the adults in our children's lives and hopefully increase the income and financial tools to thrive as a family

A special partnership with BMW Bank of North America provides an experienced CPA for 3 years to offer financial information, education, and coaching to all Rose Park community members.

Health Of the 60,300 uninsured children in Utah, 71% are eligible for Medicaid or CHIP but are not enrolled

- Poor health impacts every aspect of our lives. For children, it means they are less likely to succeed in school, and for parents it means less success at work.

**Community Nursing Flu Shots
and IHC Community Cancer
Screenings**

**Nutrition Fair Sponsored
by NeighborWorks and
University Neighborhood
Partnerships at Rose Park
Elementary**

Basic Needs

One in three Utah children received free and reduced price school lunch from 2002-2008

- Building a safety net in the areas of food, shelter, health, and safety

Children receive new shoes for Christmas

Boy Scout Troop collects and distributes clothes and household items to Refugee families

Immigrant and Refugee Integration

Utah's foreign-born population increased 145% from 1990 to 2008

New Refugee families are given an orientation on our school and on community resources

Rose Park students learn about the richness of diversity and culture

- * Proactively assist and integrate newcomers by providing services and support in areas that affect student learning.

Governor's Education Excellence Commission Prosperity 2020

2020 Vision

Vision Statement: By 2020 and thereafter, at least 66% of Utahns ages 20 to 64 will have a postsecondary degree or certificate, ensuring a well-educated citizenry and workforce that qualitatively and quantitatively meet the needs of Utah employers, which will lead to greater economic prosperity and a better quality of life for all Utahns.
